WELCOME TO BERLIN

We are delighted that you are part of the BMW BERLIN-MARATHON Inlineskating 2024!

There are a few changes this year: A new course, a new start time and a new format for the bib number. To help you be well prepared for the race, we have summarised everything you need to know - from picking up your race material to a great finish - in this event information. Please take your time to read it all.

This year's BMW BERLIN-MARATHON Inlineskating is part of the 50th anniversary of the BERLIN-MARATHON. To mark this occasion, there will be an extensive supporting program, including an exhibition, reading and, of course, a closing party.

The complete program can be found at:
